

Financial Guideline P03 - 2021/2022

Preparing for Year End accounts 2020/2021

Boards of management of Primary schools are obliged to prepare annual accounts each year and to engage the services of an external accountant/auditor to prepare and submit the accounts to the FSSU by the 28th of February following the year end.

The purpose of this guideline is to provide assistance on preparing the books and records for the external accountant. A suggested timeline for each stage is outlined in Appendix 1. A checklist to assist you is outlined in Appendix 2.

Before giving your records to your accountant, you should ensure that all transactions for the 2020/2021 year are recorded in the FSSU Monthly Reporting Template. See Webinar 2 below. This ensures that your reports and year end postings are as accurate as possible.

The FSSU Monthly Reporting Template meets the reporting requirements of boards of management and is fully supported by the FSSU staff. The FSSU Monthly Reporting Template uses the standard Chart of Account codes that the external accountant will need when submitting accounts to the FSSU.

Please see Appendix 2 for a detailed checklist of year end procedures.

A comprehensive step-by-step guide to completing the year end process are available at the following links:
