these pension increases is appended to 24 September 2024's letter to HR Managers / Pension Administrators<sup>2</sup>

9. Single Public Service Pension Scheme ('Single Scheme') pensions are updated in line with the Consumer Price Index (CPI), subject to a separate instruction from the Department of Public Expenditure NDP Delivery and Reform. Therefore, Single Scheme pensions in payment in respect of former public servants who served in grades to which this circular applies will not be adjusted with reference to the revisions of basic pay set out in this Circular.

### **Pension revisions for pre-existing public service pension schemes**

10. The pensions of those who are members of a pre-existing public service pension scheme (Non-Single Scheme) which are in payment from 01 June 2026 in respect of former Public Servants who served in grades to which this circular applies, will be adjusted as appropriate in the normal way, by reference to the revisions of basic pay set out in this Circular. Departments/Offices which, under delegated authority, grant pensions and lump sums may, subject to any necessary prior consultation with this Department, revise pension payments strictly in accordance with this circular.
11. The lump sums of the officers in the grades to which this Circular applies who retired on or after 01 June 2026 should also be revised by reference to the revisions of basic pay set out in this circular as appropriate. Deductions from lump sums in respect of non-periodic contributions (such as under Spouses and Children's Pension Schemes) should also be adjusted in these cases. The lump sum of officers in the grades to which this circular applies who retired before 01 June 2026 should not be adjusted.
12. Pensions for officers who retired after 01 June 2026 which were evaluated for the Pension Benefit Cap<sup>3</sup> under Section 52 of the Public Service Pensions (Single Scheme and Other Provisions) Act 2012, will need to be re-evaluated in the context of the increases outlined in this circular.
13. Pensions for officers who are currently re-employed in the public service and whose pensions were evaluated for Pension Abatement<sup>4</sup> under Section 52 of the Public Service Pensions (Single Scheme and Other Provisions) Act 2012, will need to be re-evaluated in the context of the increases outlined in this circular. A pensioner, not previously subject to abatement, may now be subject to abatement as a result of the increases.

### **Pension revisions for the Single Public Service Pension Scheme**

14. For Single Scheme pensioners who were working as public servants (in grades to which this circular applies) on 01 June 2026 and subsequently retired in the period from 01 June 2026 until such date as this pay adjustment takes effect,
